Additional Material(s) Used		Quantity Used								
No data Found										

Comments										
Make sure we put in Empire Zoysia SOD, owner is super picky. He said we can buy it at Quality SOD. He also stops in and checks his grass every morning so this might be one to get in ASAP so he dont complain to much. Its all at the round about, Marshbend Way @ Sierra Center Blvd.										

Restoration

Surface(s) Restored										
Surface Type	Material Type	Original Size				Final Restored Size				Completed
